留学生参赛短视频拍摄指南

International Students' Short Video Competition Shooting Guide

一、写在前面

I. Preface

短视频大赛不是拍“作业”，而是讲“故事”。You don't shoot a "homework" for the short video competition, but tell a "story".

你不需要成为专业的导演或摄影师，只需要用镜头记录下你真实的中国生活、真切的汉语学习经历。You don't need to be a professional director or photographer; you just need to use the camera to record your real life in China and your genuine Chinese learning experience.

评委最看重的，不是你用了多炫酷的特效，而是你的故事有没有温度、你的表达有没有感情、你与中国有没有真实的连接。What the judges value most is not the cool special effects you use, but whether your story has warmth, whether your expression has feeling, and whether you have a real connection with China.

本指南将带你一步步完成从想法到作品的完整过程。This guide will take you step by step to complete the entire process from idea to work.

二、拍摄前的准备

II. Preparation Before Shooting

1. 确定选题：讲一个只有你能讲的故事

1. Determine the Topic: Tell a Story Only You Can Tell

好的选题是成功的一半。A good topic is half the battle.

不要试图面面俱到，切口越小越好。Don't try to cover everything; the narrower the focus, the better.

选题自测清单：

Topic Self-Assessment Checklist:

- 这个故事是真实发生在我身上的吗？Did this story really happen to me?
- 这个故事能让观众感受到“我”的存在吗？Can this story make the audience feel my presence?
- 这个故事与中国、与汉语有关系吗？Does this story have a connection with China and Chinese?

推荐选题方向：

Recommended Topic Directions:

选题方向 Topic Directions	具体例子 Specific Examples	适合人群 Suitable for
我的第一次 My First Time	第一次在中国买菜、第一次过春节、第一次坐高铁 The first time buying vegetables in China, the first time celebrating the Spring Festival, the first time taking a high-speed train	刚来中国不久的留学生 International students who just came to China recently
我的中国朋友 My Chinese Friends	我的室友、我的语伴、楼下卖煎饼的阿姨 My roommate, my language partner, the aunt who sells pancakes downstairs	喜欢与人交往的学生 Students who like to interact with others
文化对比 Cultural Comparison	我们国家的红色 vs 中国的红色、我们怎么喝茶 vs 中国怎么喝茶 Red in our country vs. Red in China, how we drink tea vs. how Chinese people drink tea	有观察力、喜欢思考的学生 Students with observation skills and a love for thinking
我的汉语成长记 My Chinese Growth Story	从“你好”到流利对话、闹过的语言笑话 From saying "Ni Hao" (Hello) to fluent conversations, language jokes I made	所有留学生都能引起共鸣 Resonates with all international students

我最爱的中国角落 My Favorite Corner in China	学校图书馆、常去的咖啡馆、海边、公园 School library, favorite café, seaside, park	善于发现美的学生 Students who are good at discovering beauty

避坑提醒：

Pitfall Reminders:

- 不要选太大的题目，比如“我爱中国”——太空了。Don't choose a topic that's too broad, such as "I Love China" — it's too vague.
- 不要选自己都不理解的话题，比如讲孔子但自己都没读过《论语》。Don't choose a topic you don't understand yourself, such as talking about Confucius without having read "The Analects".
- 不要编故事，真实的故事最有力量。Don't make up stories; real stories are the most powerful.

2. 脚本撰写：把故事写下来

2. Script Writing: Put the Story in Writing

确定选题后，动笔写脚本。After determining the topic, start writing the script.

脚本不需要很长，1-3 分钟的视频，300-800 字就够。The script doesn't need to be long; for a 1-3 minute video, 300-800 words are enough.

脚本结构：

Script Structure:

部分 Part	作用 Function	要点 Key Points
开头（15 秒） Opening (15 seconds)	抓住观众注意力 Capture the audience's attention	可以用一个问题、一句有趣的话、一个特别的画面开始 You can start with a question, an interesting sentence, or a special scene
中间（1-2 分钟）	讲清楚你的故事	按时间顺序讲，交代清

Middle (1-2 minutes)	Tell your story clearly	楚发生了什么、你有什么感受 Tell it in chronological order, clearly explaining what happened and how you felt
结尾（15 秒） Ending (15 seconds)	升华主题 Elevate the theme	一句话总结你的感悟，留给观众回味的空间 Summarize your insights in one sentence, leaving room for the audience to reflect

写作小技巧：

Writing Tips:

- 用短句，口语化，就像在跟朋友聊天。Use short sentences and colloquial language, just like chatting with a friend.
- 多用具体细节，少说空话（不说“中国人很热情”，而说“卖菜阿姨多送了我一把葱”）。Use more specific details and fewer empty words (instead of saying "Chinese people are very warm", say "The vegetable seller aunt gave me an extra handful of green onions").
- 如果汉语水平有限，可以先写母语，再翻译成汉语，最后请老师帮忙润色。If your Chinese level is limited, you can first write in your native language, then translate it into Chinese, and finally ask a teacher to polish it.

示例脚本片段（《非洲红·中国红》）：

Sample Script Excerpt (African Red · Chinese Red):

来中国第一年春节，室友递给我一个红色信封。On the Spring Festival of my first year in China, my roommate handed me a red envelope.

我愣住了——红色，在我们国家有时代表着警告、危险。I was stunned — red sometimes represents warning and danger in our country.

我不敢接。I didn't dare to take it.

室友笑了，她说：“红色在中国代表好运、祝福，这是红包，祝你新年快

乐。”My roommate smiled and said: "Red represents good luck and blessings in China; this is a red envelope, wishing you a happy New Year."

那一刻我突然明白，同样的颜色，在不同文化里可以有完全不同的温度。At that moment, I suddenly realized that the same color can have completely different warmth in different cultures.

3. 拍摄前的准备清单

3. Pre-Shooting Preparation Checklist

- 脚本定稿（请老师或汉语好的同学帮忙看过）。Finalize the script (ask a teacher or a classmate with good Chinese to check it).
- 拍摄设备：手机就够了（提前清空内存）。Shooting equipment: A mobile phone is enough (clear the memory in advance).
- 辅助设备（如有）：手机支架、收音麦克风（没有也行）。Auxiliary equipment (if available): Mobile phone stand, lavalier microphone (not necessary if not available).
- 拍摄地点：提前踩点，确认可以拍摄、光线好。Shooting location: Scout the location in advance to ensure it is accessible for shooting and has good lighting.
- 服装：整洁大方，如果要穿传统服装，提前准备好。Clothing: Clean and decent; if you want to wear traditional clothing, prepare it in advance.
- 道具：根据脚本需要（比如要展示书法，提前备好笔墨）。Props: According to the script requirements (for example, if you want to display calligraphy, prepare writing brushes and ink in advance).

三、拍摄技巧

III. Shooting Skills

1. 拍摄基本原则

1. Basic Shooting Principles

稳： 画面不要抖

Steady: The picture should not shake.

- 双手握手机，胳膊夹紧身体。Hold the mobile phone with both hands and keep your arms close to your body.
- 有条件就用三脚架或手机支架。Use a tripod or mobile phone stand if available.
- 移动拍摄时放慢脚步，像端着汤走路一样。Slow down when shooting while

moving, just like carrying a bowl of soup.

亮： 光线要充足

Bright: The lighting should be sufficient.

- 优先选择自然光，白天拍摄。Prioritize natural light and shoot during the day.
- 脸朝向窗户或光源，不要背光。Face the window or light source; do not shoot against the light.
- 室内光线不足时，打开灯或补光灯。When indoor lighting is insufficient, turn on the lights or fill lights.

清： 声音要清楚

Clear: The sound should be clear.

- 尽量在安静的环境拍摄。Try to shoot in a quiet environment.
- 说话不要太快，咬字清楚。Do not speak too fast; enunciate clearly.
- 如果环境嘈杂，可以用手机耳机当麦克风。If the environment is noisy, you can use mobile phone earphones as a microphone.

2. 不同场景怎么拍

2. How to Shoot in Different Scenarios

场景 Scenario	拍摄建议 Shooting Suggestions	注意事项 Notes
室内讲述 Indoor Narration	坐在窗边，脸朝向窗户，手机放在面前稍高位置 Sit by the window, face the window, and place the mobile phone slightly above in front of you	不要仰拍，会显双下巴；不要俯拍，像在审问 Do not shoot from below, as it will show double chins; do not shoot from above, as it looks like an interrogation
室外行走 Outdoor Walking	让朋友拿着手机在你前方或侧方跟着拍 Ask a friend to hold the mobile phone and follow you from the front or side	看镜头说话，不要看地面 Look at the camera when speaking; do not look at the ground

与人互动 Interacting with Others	拍两个人的侧面，或者用第一视角（拍对方的脸） Shoot the side of two people, or use a first-person perspective (shoot the other person's face)	声音要收清楚 Ensure the sound is clear
展示物品 Displaying Items	给物品特写，然后镜头慢慢拉回到你脸上 Give a close-up of the item, then slowly pull the camera back to your face	特写要停留 3 秒以上，让观众看清楚 The close-up should last for more than 3 seconds so that the audience can see it clearly

3. 出镜表现技巧

3. On-Camera Performance Skills

看哪里：

Where to Look:

- 如果是自己对着镜头说话，就看镜头，想象镜头是你最好的朋友。If you are speaking directly to the camera, look at the camera and imagine it is your best friend.
- 如果是边走边说，可以偶尔看镜头，偶尔看前方，自然一点。If you are speaking while walking, you can look at the camera occasionally and ahead occasionally to be natural.

怎么站：

How to Stand:

- 自然站立，不要像站军姿。Stand naturally; do not stand like in military training.
- 可以有小动作，但不要太频繁。You can have small movements, but not too frequent.
- 如果紧张，手里可以拿个道具（比如书、茶杯）。If you are nervous, you can hold a prop in your hand (such as a book or a teacup).

怎么笑：

How to Smile:

- 讲到开心的事就笑，不要从头笑到尾。Smile when talking about happy things; do not smile from start to finish.
- 真情实感最重要，观众能看出来你是不是装的。Sincere feelings are the most important; the audience can tell if you are faking it.

忘词了怎么办：

What to Do If You Forget Your Lines:

- 不要紧张，可以停下来重说。Do not be nervous; you can stop and start over.
- 后期剪辑会把说错的部分剪掉。The wrong parts will be cut out during post-editing.

四、后期制作

IV. Post-Production

1. 用什么软件

1. Which Software to Use

设备 Device	推荐软件 Recommended Software	特点 Features
苹果手机 iPhone	剪映、iMovie JianYing, iMovie	操作简单，模板多 Easy to operate with many templates
安卓手机 Android Phone	剪映、快影 JianYing, KuaiYing	免费功能足够用 Free functions are sufficient
电脑 Computer	剪映专业版、PR（专业级） JianYing Pro, PR (Professional Level)	功能更强大，学习成本高 More powerful functions with a high learning curve

2. 剪辑三步走

2. Three Steps of Editing

第一步：粗剪

Step 1: Rough Cut

- 把所有拍摄的素材导入软件。Import all shot materials into the software.
- 挑出能用的一段段，按脚本顺序排列。Select usable clips and arrange them in the order of the script.
- 把说错的地方、多余的地方剪掉。Cut out the wrong and redundant parts.

第二步：精剪

Step 2: Fine Cut

- 调整每段的长短，让节奏舒服。Adjust the length of each clip to make the rhythm comfortable.
- 加转场（不要太多，简单淡入淡出就够）。Add transitions (not too many; simple fade in and fade out are enough).
- 调整颜色（如果画面太暗可以稍微调亮）。Adjust the color (you can brighten it slightly if the picture is too dark).

第三步：加字幕和音乐

Step 3: Add Subtitles and Music

- 加中文字幕（最好双语，中+英/母语）。Add Chinese subtitles (preferably bilingual: Chinese + English/native language).
- 选背景音乐（中国风音乐？温馨轻音乐？看视频风格）。Choose background music (Chinese-style music? Warm light music? Depending on the video style).
- 检查字幕和声音是否同步。Check if the subtitles are synchronized with the sound.

3. 剪辑注意事项

3. Editing Notes

- 字幕： 字体要大，颜色要清楚（白字加黑边最保险）。Subtitles: The font should be large and the color clear (white font with black border is the safest).
- 音乐： 音量不能盖过人声，背景音乐是“背景”。Music: The volume should not cover the human voice; background music is "background".
- 时长： 严格遵守比赛要求（一般 1-3 分钟，最长不超过 5 分钟）。Duration: Strictly follow the competition requirements (usually 1-3 minutes, maximum 5 minutes).
- 片头片尾： 可以加简单的标题和感谢，但不要太长。Opening and ending: You can add a simple title and thanks, but not too long.

五、常见问题与解决办法

V. Common Problems and Solutions

Q1：我汉语说得不好，不敢出镜怎么办？

Q1: My Chinese is not good, and I dare not appear on camera. What should I do?

A：没关系！可以用旁白的方式，画面拍你在中国生活的场景，声音用后期配音。A: It's okay! You can use a voice-over; shoot scenes of your life in China and dub the sound in post-production.

或者找个中国朋友帮你配音，你出镜表演。Or ask a Chinese friend to dub for you while you appear on camera.

Q2：没有专业设备，手机拍可以吗？

Q2: I don't have professional equipment; can I shoot with a mobile phone?

A：完全可以！历届获奖作品很多都是用手机拍的。A: Absolutely! Many previous award-winning works were shot with mobile phones.

手机拍好了，效果不输专业设备。A well-shot mobile phone video is as good as a professional one.

Q3：不知道该讲什么故事，没有灵感怎么办？

Q3: I don't know what story to tell and have no inspiration. What should I do?

A：翻翻你的手机相册，看看来中国后拍的照片——那天为什么拍照？A: Look through your mobile phone album and check the photos taken after coming to China — why did you take that photo that day?

背后有什么故事？Or what story is behind it?

或者问问你的中国朋友："你对我印象最深的一件事是什么？"答案可能就是你的选题。Or ask your Chinese friend: "What's the most memorable thing about me?" The answer may be your topic.

Q4：拍的时候总是紧张怎么办？

Q4: I always get nervous when shooting. What should I do?

A：很正常！可以这样做：A: It's very normal! You can do this:

- 先对着镜子练习几遍。Practice in front of the mirror a few times first.
- 让朋友在旁边陪你拍。Ask a friend to stay with you while shooting.
- 告诉自己：拍不好可以重来，又不是直播。Tell yourself: If you don't shoot well, you can start over; it's not a live broadcast.

- 拍第一条时故意放松一点，热热身。Deliberately relax a little when shooting the first take to warm up.

Q5：拍摄时总有人围观，不好意思怎么办？

Q5: People always gather around when shooting, and I feel embarrassed. What should I do?

A：选择人少的时间去拍（比如早晨）。A: Choose a time when there are few people to shoot (such as the morning).

如果实在避不开，就大方跟围观的人解释："我在拍一个比赛视频，可以帮帮我吗？"If you really can't avoid it, politely explain to the onlookers: "I'm shooting a competition video; can you help me?"

很多人会愿意配合，甚至给你加油。Many people will be willing to cooperate and even cheer for you.

六、给不同类型参赛者的建议

VI. Suggestions for Different Types of Participants

如果你是第一次拍视频

If You Are Shooting a Video for the First Time

- 选题要简单，选你最熟悉的一件事。Choose a simple topic, something you are most familiar with.
- 脚本不要太长，300 字左右。The script should not be too long, about 300 words.
- 拍摄地点选在室内，可控性强。Choose an indoor shooting location for better control.
- 找朋友帮你拍，不要一个人又拍又演。Ask a friend to help you shoot; don't shoot and perform alone.

如果你汉语水平还不够好

If Your Chinese Level Is Not Good Enough

- 用"画面+旁白"的方式，减少出镜说话的压力。Use the "picture + voice-over" method to reduce the pressure of speaking on camera.
- 可以加入母语元素（比如用母语说一句，再用汉语解释）。You can add native language elements (such as saying a sentence in your native language and then explaining it in Chinese).
- 让故事帮你说话——有时候一个真诚的眼神，比复杂的词语更有力量。Let

the story speak for you — sometimes a sincere look is more powerful than complex words.

如果你已经参加过比赛

If You Have Participated in the Competition Before

- 挑战更高难度的选题，尝试文化对比、深度思考。Challenge more difficult topics and try cultural comparison and in-depth thinking.
- 在画面上下点功夫，试试更有创意的拍摄手法。Put more effort into the pictures and try more creative shooting methods.
- 多关注当代中国的真实生活，而不只是“传统文化”。Pay more attention to the real life of contemporary China, not just "traditional culture".

七、最后的话

VII. Final Words
